- Good Communicator and Facilitator

Experience:

MAJOR MEDICAL CENTER OF MICHIGAN
Registered Nurse, NICU, Relief Charge Nurse

Detroit, Michigan
April, 1988 - Present

Care for high risk neonates requiring oxygen and assisted ventilation, for premature infants weighing less than 1000 gms, for patients requiring extracorporeal membrane oxygenation, and for infants with various congenital anomalies, as well as those with respiratory, gastrointestinal, cardiac, neurological, and surgical diagnoses. Assumed charge nurse role. Managed 38-bed unit with 14 vents and 14 staff.

Selected Accomplishments:

- Wrote and presented in-services on "Caffeine Citrate" for NICU, and on "Drawing Blood From Peripheral Arterial Line."
- Wrote a pamphlet, "Quiet! Shunting Baby," to help parents understand pulmonary vasoconstriction.
- Preceptor for Wayne State Nurse Extern Program.
- Chairperson and developer of "Lovin' Spoonfuls"—a cookbook fund-raiser that raised over \$8,000 for the unit. Proceeds were used to purchase a computer for educational purposes.
- Hospitality award, 1988.
- Committees: Primary Nurse Committee, Developmental Care Committee

Prior Experience:

Held positions as a staff nurse and a charge nurse in a 28-bed short stay toddler medical unit, a staff nurse and a charge nurse in an adult medical/surgical unit, and a medical assistant.
